The new storefront presents an exciting time for Blue Hill Co-op. It is something that has been anticipated for many years. The new space will allow us to better serve the greater Blue Hill Peninsula not only to the benefit of our many customers and member-owners, but will also allow us to foster the expansion of the growing number of local and regional Maine food producers. Experience working in the natural and local food grocery business is preferred. Experience working in the cooperative sector is not required but also highly preferred.

Full-time and part-time positions available. We offer full-time benefits, paid time off, and employee discount.
