

Putney Food Co-op

Seeking Produce Manager

The Putney Food Co-op, a community food co-op serving our community since 1941, is looking for a Produce Manager to start in April 2019. This person will oversee our vibrant, locally connected Produce Department, and will facilitate relationships with our growers, our community and our amazing staff!

With sales of 4.5 million dollars a year, our store is fast paced, friendly and fun. Produce sales represent approximately 15% of sales and there is opportunity for growth. The perfect candidate has at least 3 years experience of produce purchasing and merchandising, with a proven record of achieving margin goals, is a team player, has great merchandising skills and a passion for building strong relationships. This person is excited about local sustainable agriculture and loves to grow and tell that story.

This is a Full-Time position and the job requirements include working some evenings, weekends and attending special events.

Salaried compensation commensurate with experience, includes a generous benefits package and the opportunity to grow with our store!
